ABOUT SKINCARERX PROFESSIONAL

SKINCARERX PROFESSIONAL IS A COSMECEUTICAL RANGE FORMULATED WITH HIGH PERFORMANCE, HIGH CONCENTRATION INGREDIENTS BASED ON THE LATEST SCIENTIFIC RESEARCH.

SKINCARERX PROFESSIONAL IS A MEDICALLY INSPIRED SKINCARE REGIME THAT COMBINES AN ADVANCED SCIENTIFIC APPROACH TO FORMULATION WITH UNIQUE APPLICATION METHODS FOR INTENSE BENEFITS.

**ONLY AVAILABLE FROM YOUR MEDICAL AESTHETIC PRACTITIONER, SKINCARERX PROFESSIONAL OFFERS REGIMES TO ADDRESS TWO COMMON SKIN CONCERNS:
AGEFIX TARGETS THE CONCERNS OF AGEING SKIN.
PIGMENTFIX TARGETS THE CONCERNS OF UNEVEN SKIN TONE.**

PHILOSOPHY

SKINCARERX PROFESSIONAL FORMULAS COMBINE INGREDIENTS THAT ARE INDIVIDUALLY CHOSEN FOR THEIR EFFICACY IN TARGETING THE VARIETY OF FACTORS THAT CONTRIBUTE TO A SKIN CONCERN.

SKINCARERX PROFESSIONAL AIMS TO PROVIDE COMPREHENSIVE SKIN SOLUTIONS THROUGH MEDICAL AESTHETIC PRACTITIONERS WHO ARE SPECIALISTS IN SKIN HEALTH AND THEREFORE BEST EQUIPPED TO RECOMMEND THE MOST EFFECTIVE SKIN OPTIONS.

SKINCARERX PROFESSIONAL AIMS TO FORMULATE SKINCARE WITH THE MOST TECHNOLOGICALLY ADVANCED INGREDIENTS DESIGNED TO RESTORE AND MAINTAIN HEALTHY AND YOUTHFUL SKIN WHILE PREVENTING FURTHER DETERIORATION TO THE APPEARANCE OF THE SKIN.

AGEFIX

[YOUR SKINCARE PRESCRIPTION FOR SKIN
THAT LOOKS AND FEELS MORE YOUTHFUL]

100%

100%

AGEFIX

Successfully promoting younger looking skin requires a scientific approach. This includes using ingredients that offer support and protection to the skin while helping to prevent the effects of harmful processes that cause the skin to break down over time.

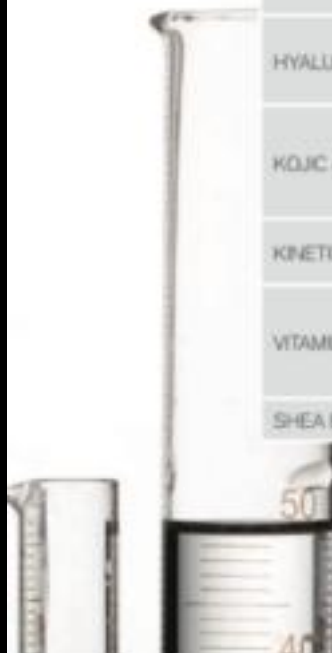

AGEFIX is formulated with ingredients proven by science to:

- Fight harmful effects of free radicals
- Counteract the build-up of dead skin cells
- Help prevent premature ageing
- Reduce and smooth out the appearance of lines and wrinkles
- Brighten uneven skin tone
- Hydrate and moisturise the skin

AGEFIX INGREDIENTS

INGREDIENT	ORIGIN	BENEFITS
LACTIC ACID	Exists naturally in all humans	Skin appears smoother, brighter, more radiant Skin appears firmer and plumper with a reduction in the appearance of wrinkles The criss-cross lines of dehydration are reduced and the skin appears luminous and soft
VITAMIN C	Exists naturally in all humans	Fights aggressive free radicals that cause pre-mature ageing Fights the effects of UV exposure that causes pre-mature ageing Skin appears firmer and plumper with a reduction in the appearance of wrinkles Skin appears brighter and more even in tone
ALPHA Lipoic ACID	Exists naturally in all humans	Intense protection against the harmful ageing effects of free-radicals Protects the skin from processes that can accelerate the effects of ageing on the skin Skin appears firmer and plumper with a reduction in the appearance of wrinkles
DMAE	Derived from fish	Helps fight the harmful ageing effects of free radicals on the skin Improves the appearance of sagging skin instantly as well as in the long term Skin appears plumper with a decrease in the appearance of lines and wrinkles
HYALURONIC ACID	Exists naturally in all humans	Hydrates the skin reducing the appearance of criss-cross lines giving the skin a soft luminous appearance Increases the absorption of Vitamin C in skincare products
Kojic ACID	Natural by-product of the fermentation of rice	Brightens uneven skin tone
KINETIN	Naturally derived from plants	Can reverse some of the visual signs of photo-damaged skin
VITAMIN E	Exists naturally in all humans	Works synergistically with Vitamin C and Alpha Lipoic Acid to enhance anti-oxidant potency – helps fight the damaging effects of free radicals on the skin Moisturises and softens the skin
SHEA BUTTER	Derived from fruit	Moisturises, soothes and protects the skin

CLEANSERS

- AGEFIX cleansing foam
- AGEFIX cleansing lotion

AGEFIX Cleansers are formulated to clean and refresh the skin. They also prepare the skin to achieve better absorption of the AGEFIX specialists and AGEFIX Essentials.

Available in two formulas, the foam is preferred for Normal to Combination skin and the lotion is preferred for Normal to Dry skin.

SPECIALISTS

- AGEFIX day serum
- AGEFIX vitamin C powder
- AGEFIX night infusion

AGEFIX SPECIALISTS are formulated with the highest concentration of AGEFIX targeted ingredients. Their unique application techniques and high concentration formulas provide enhanced results to the appearance of the skin.

ESSENTIALS

- AGEFIX day cream
- AGEFIX night cream
- AGEFIX eye cream

AGEFIX Essentials are formulated to provide the skin with daily requirements such as hydration and moisture. They also protect the skin as well as promote elasticity and firmness.

AGEFIX cleansing foam

Aqua	Propylene Glycol	Lime Oil
Cocamide DEA	Base L™	Citric Acid Anhydrous
Hydroxyethyl Cellulose	Imidazolidinyl Urea	Edetate Tetra Sodium
Lactic Acid	Emulsifix™	Ethoxy Diglycol
Sodium Lauryl Sulphate		

AGEFIX cleansing lotion

Aqua	Propylene Glycol	Lime Oil
Cocamide DEA	Base L™	Citric Acid Anhydrous
Hydroxyethyl Cellulose	Imidazolidinyl Urea	Edetate Tetra Sodium
Lactic Acid	Sodium Lauryl Sulphate	Ethoxy Diglycol

Directions: Gently massage onto damp skin and rinse off with water. Once opened, product is best used within 180 days.

AGEFIX day serum

This Day Serum is your skincare prescription formulated with high grade pharmaceutical ingredients, combined to restore vitality to the appearance of the skin through resurfacing and hydration. A potent aha formula, it is designed to exfoliate, hydrate and renew the surface of the skin while reducing the appearance of fine lines and wrinkles, improving the clarity of the skin and smoothing out rough textures.

Aqua	Versa Gel™*	Lime Oil
L-Lactic Acid	Kojic Acid	Xanthan Gum
Isopropyl Palmitate	Hydroxyethyl Cellulose	Edetate Disodium
Hyaluronic Acid Sodium Salt	Sodium Metabisulphite	Butylated Hydroxytoluene
*Cyclo-pentasiloxane and PEG/PPG-18/18 Dimethicone, 2-Ethylhexyloctadecanoate, Vitamin E Acetate, PEG-100 Stearate/ Glyceril Stearate, Stearyl Alcohol, Edetate Disodium, D-Glucitol, Aloe Vera, Cyclodimethyl Polysiloxane with N-3-6, Xanthum Gum, Methylchloroisothiazolinone and Methylisothiazolinone		

Directions: Apply to the face and neck every morning before using the SKINCARE RX AGEFIX Day Cream. Once opened, product is best used within 180 days.

AGEFIX vitamin C powder

This Vitamin C Powder is your skincare prescription formulated with high grade pharmaceutical ingredients, combined to help protect the skin's natural defence system, support structure and protective barrier. This high potency anti-oxidant is in its most stable form, designed to defend against environmental stress, promote collagen stimulation and rapid recovery from damage caused by pre-mature ageing and natural ageing.

Sodium-L-Ascorbyl-2-Phosphate Dihydrate (Vitamin C)

Pearl Powder

Directions: Mix a small amount of powder with the SKINCARERX AGEFIX Day Serum and apply evenly to the face and neck every morning. Once opened, product is best used within 180 days.

AGEFIX night infusion

This Night Infusion is your skincare prescription designed to infuse powerful anti-oxidant and age management ingredients via a transdermal delivery system. A high potency formula, it is designed to promote elasticity and deliver preventative and protective benefits at night while the skin rejuvenates itself.

Lecithin Isopropyl Palmitate		Butylated Hydroxytoluene
Sodium-L-Ascorbyl-2-Phosphate Dihydrate (Vitamin C)		Lime Oil
Alpha Lipoic Acid DL	Sodium Metabisulphite	Hydroxyethyl Cellulose
EmulsiFix™	Vitamin E Acetate,	Edetate Disodium

Directions: Apply two to three pumps to fingertips. Rub fingertips together to warm the product for easy application and apply to the face and neck at night. Allow one minute for absorption before applying the SKINCARE RX AGEFIX Night Cream. Once opened, product is best used within 180 days.

AGEFIX eye cream

This Eye Cream is your skincare prescription formulated with high grade pharmaceutical ingredients combined to help hydrate, firm, brighten and reduce puffiness. A high potency anti-oxidant formula, it is designed to help protect, smooth and lighten the eye area while softening fine lines and wrinkles.

Versa Cream™*	Shea Butter	Caprylic/Capric Triglycerides
Propylene Glycol	Solusilk Protein	Copper Gluconate
Vitamin E Acetate	Silicon Fluid 556	Alpha Lipoic Acid DL
Sodium-L-Ascorbyl- 2-Phosphate Dihydrate (Vitamin C)		Elastin Hydrolyzed
Sodium Metabisulphite	Vanilla	Phytonadione (Vitamin K)
Collagen Hydrolysate	Edetate Disodium	Kinetin
Butylated Hydroxytoluene	Hyaluronic Acid Sodium Salt	
*Purified Water, 2-Ethylhexyloctadecanoate, Emulsifying Wax, Vitamin E, Aloe Vera, Edetate Disodium, D-Glucitol, Cyclohexymethyl Polysiloxane with N-3-6, Methylchloroisothiazolinone and Methylisothiazolinone		

Directions: Gently apply around the eye area morning and evening. Once opened, product is best used within 180 days.

AGEFIX day cream

This Day Cream is your skincare prescription formulated with high grade pharmaceutical ingredients combined to repair and firm the appearance of the skin while hydrating and helping to prevent the signs of ageing. A high potency formula, it is designed to combat free radicals that can damage the skin and help restore clarity to and protect the skin from the visible effects of ageing.

Versa Cream™	Shea Butter	Caprylic/Capric Triglycerides
Vitamin E Acetate	Propylene Glycol	Xanthan Gum
Glycerin	Alpha Lipoic Acid-DL	Butylated Hydroxytoluene
Sodium-L-Ascorbyl- 2-Phosphate Dihydrate (Vitamin C)		Sodium Metabisulphite
Emulsifix™	DMAE	Kinetin
